101 cool magic tricks The Force is a metaphysical and ubiquitous power in the fictional Star Wars universe. It is wielded by "Force-sensitive" characters throughout the franchise: heroes like the Jedi use the "light side" while seeking to become one with the Force, while the Sith and other villains exploit the "dark side" and have always tried to bend it towards their will. The Force has been compared to aspects of ...

101 cool magic tricks Just What Does It Take To Give Germs The Slip?Some of us act like a quick rinse under warm water will do the trick. Or worse yet, we just run from one activity to another without even thinking about the germs we may have picked up along the way. But studies have shown that even those who do stop to wash just don't wash long enough or well enough.
