101 trading and investing quotes advice from top market wizards hedge fund pros and investment professionalshedge fund modelling and analysis using excel and vba A trading room gathers traders operating on financial markets. The trading room is also often called the front office. The terms "dealing room" and "trading floor" are also used, the latter being inspired from that of an open outcry stock exchange. As open outcry is gradually replaced by electronic trading, the trading room gets the only living place that is emblematic of the financial market.
