1998 ford taurus owners manual The third-generation Ford Taurus is an automobile that was manufactured by Ford from 1995 to 1999.. The third generation of Ford Taurus was the first to be completely redesigned from the ground up, and used a rounded, oval-derived design that was very controversial at the time, considered to be the main reason for this model's downfall in the market. It was designed to appeal to buyers of the ...
