moon mist magic The First Quarter, or Waxing Half Moon, is the time when energies are most conducive to attraction. Unlike the Waxing Crescent, which is best for going within and bringing things out, this is the best time for magic that attempts to draw things outside of yourself to you.. Use this time for spells and meditations meant to attract things you want in your life, such as money, protection or success.

How to Cast Spells Using the Magical Timing of Moon Phases

moon mist magic At the stroke of midnight, just before the moon begins to wax, is the best time to look into the future. You will need a crystal, a clear glass bowl filled with spring water, and a white taper candle. Place your crystal in the bowl and cover it with the spring water. Place the candle just behind the bowl and light it.
