the thing in the attic by james blish science fiction fantasy INTRODUCTION The Greeks had no single term to express what we mean by the word "life". They used two terms that, although traceable to a common etymological root, are semantically and morphologically distinct: *zōē*, which expressed the simple fact of living common to all living beings (animals, men, or gods), and *bios*, which indicated the form or way of living proper to an individual or a ...
