

war so much war

### **war so much war pdf**

war so much war War is a state of armed conflict between states, governments, societies and informal paramilitary groups, such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces. Warfare refers to the common activities and characteristics of types of war, or of wars in general.

war so much war From August 1914 to November 1918, an unprecedented catastrophe gripped the world that continues to reverberate into our own time. World War I was touched off by a terrorist act in Bosnia and all too quickly expanded far beyond the expectations of those involved to become the first "total war." It was the first conflict in which entire societies mobilized to wage unrestrained war, investing ...
